FROM THE EAST September 2018

Brothers and Friends,

I hope everyone had a good summer break. Charles Quinlan held down the fort here while I was away, thank you. There was some damage to the carpet at the northern entrance, which was determined to be irreparable. The hall association is planning to replace it with tile, an appropriate design will be selected.

Our new member by affiliation, Rob Skibo, is practicing to become an officer in our lodge. That first degree lecture is really cool, and it explains so much, it being the first real introduction the candidate gets as to what masonry is about. This is Officer Advancement Practice (OAP). All members wishing to advance into a new station should be practicing now.

One of our families has expressed an interest in starting a Demolay club. This is a wonderful idea, but first we need to get some of the boys initiated, so we are looking into some of the "local" chapters. I am looking into the chapter in Lancaster.

This month of September, there will be a district officers meeting (DOM), which will be in Bishop on Sat the 8th in the morning. We will be car pooling, so please reserve a seat or volunteer to drive. This is actually open to all members. We should be returning after lunch. We will be practicing the first degree. Later that evening Royal Arch members will be going to Kernville for reception for the Grand High Priest which starts at 5pm.

Our agenda for this month includes the balloting on two new petitioners. This means we will most likely be going to have a first degree ceremony soon, maybe this month. We are planning a Constitutional Observance dinner on Monday the 17th. Also, Eastern Star is planning their "Chuck Wagon" breakfast on Sat the 22nd.

Sincerely and Fraternally
Peter Eiserloh, WM

**ROYAL ARCH**

Companions, I hope all had a great summer.

This September 13 starts the last of my 4 convocations. I would like see a quorum for the next 16 months. This would mean all members would have to attend 2 or 3 meetings a year.

We have no one following Bennie Wegener III, who is our king for the rest of this Capitular year, and will be install as High Preist for 2019. Then we will probably consolidate with Kern River Chapter #162.

Lets go out with a bang, attend all the meetings you are able.
